MCIU
CAREER CONNECTIONS

Today's Agenda

45 minutes · 4 sections

1	**Introduction** Overview of the morning	2 min
2	**Honeywell Aerospace**	10 min
3	**Universal Academy**	10 min
4	**MontcoWorks Now**	10 min

Introduction

Welcome to our 2nd Parent Information Session!

The goal of our session today is for you to leave with at least one piece of information about a pathway or career for your student that you weren't aware of before!

You will learn about specific jobs, exciting industries, trainings that are available and programs that can support your students after High School!

MCIU
CAREER CONNECTIONS

Honeywell Aerospace

MCIU CAREER CONNECTIONS

Global Aerospace Leader: Honeywell Aerospace is a major tier-1 global aerospace and defense supplier that designs and manufactures aircraft engines, flight controls, cockpit avionics, satellite components, and navigation technology for commercial and military applications.

Local Footprint in Lansdale: The Lansdale facility operates as a core microelectronics, precision assembly, and high-reliability testing hub supporting Honeywell's broader integrated supply chain.

Mr. Brad Ruscio

and

Ms. Brittney Jones

Universal Academy

MCIU
CAREER CONNECTIONS

Universal Academy (Souderton, PA): A division of Universal Electrical Service, Inc., Universal Academy is an NCCER-based, nationally accredited trade school offering Pennsylvania Department of Labor–registered four-year apprenticeships, introductory courses, and safety certifications in industrial electrical and HVAC fields that combine classroom theory with hands-on technical training.

Mr. Marc Benson

MontcoWorks · NOW
NAVIGATING OPPORTUNITIES IN THE WORKFORCE
A Service of Montgomery County Intermediate Unit

MCIU
CAREER CONNECTIONS

Program Overview: MontcoWorks NOW is a youth workforce development program administered by the Montgomery County Intermediate Unit (MCIU) in partnership with MontcoWorks, the Montgomery County Workforce Development Board.

Target Audience: Designed for Montgomery County youth and young adults (ages 14–24), particularly those seeking career guidance, skill development, or assistance overcoming barriers to employment.

Core Services & Opportunities: Provides individualized career coaching, resume and interview preparation, paid summer and year-round internships, including manufacturing and technical training scholarships, and direct matching with local employers.
